

International Scholarship Application

Cross Christian Fellowship, Albuquerque, New Mexico

Thank you for asking about Shepherd School.

Shepherd School is a two year Bible school for men. It trains leaders at home, at work and in ministry, with a heavy emphasis on ministry. There are ten modules. The lessons are audio, so they work on a phone.

We offer scholarships to pastors and church leaders overseas. We are already working heavily in India, Pakistan, Kenya, Uganda, Tanzania, Zambia and Sri Lanka, and with men who speak Hindi, Urdu, Punjabi, Swahili or Spanish. We are open to sponsoring men in other countries overseas as well.

Most of our men overseas learn in groups. One leader, the host, gathers his men once a week, plays the lesson for them, and follows them up through the week.
